WORK EXPERIENCE

PSYCHO-SOCIAL COUNSELOR, FOUNT FOR NATIONS ORGANIZATION, LILONGWE

Nov 2025 – Feb 2026

- Provided individualized counselling and psycho-social support to vulnerable groups, including facilitating structured play therapy sessions for children in need of emotional and developmental support.
- Facilitated caregiver training sessions using the Baby Ubuntu programme, equipping parents

of children with developmental disabilities with practical skills in positioning, communication, stimulation, and inclusive care-giving practices.

- Delivered community-based nutrition education to caregivers, promoting appropriate feeding practices and improving child health and developmental outcomes.
- Led youth-focused mental health awareness initiatives, improving access to psycho-social resources and promoting well-being through community sensitization programs.
- Supported the implementation of education, health, and community empowerment programs by collaborating with programme teams, implementing partners, and local structures.
- Coordinated and facilitated community meetings, training's, and outreach activities, ensuring effective planning, documentation, and follow-up of programme outputs.
- Actively participated in Village Development Committee (VDC) meetings and government-led project implementation meetings, contributing to planning, coordination, and alignment with local development priorities.
- Contributed to policy dialogue by attending stakeholder and policy review meetings, supporting discussions on programme improvement and community-level impact.
- Strengthened community engagement by mobilizing men, women, youth, and vulnerable groups, fostering inclusive participation and local ownership of interventions.
- Conducted regular field monitoring visits to assess programme progress, identify challenges, and provide timely feedback to improve service delivery.
- Managed basic programme finances by preparing fund requests, tracking expenditures, and supporting timely liquidation and accountability processes.
- Collected and compiled programme data, reports, and case stories to support monitoring, evaluation, and learning processes.
- Built and maintained strong relationships with community leaders, partners, and stakeholders to enhance coordination and programme effectiveness.
- Developed practical tools, including a Family Support Group Manual, to improve structured support and ensure sustainability of community-based interventions.

LIBRARIAN ASSISTANT, DMI ST. JOHN THE BAPTIST UNIVERSITY

Jul 2023 - Aug 2023

- Assisted in the day-to-day management of library operations, ensuring efficient organization and accessibility of academic resources.
- Cataloged, classified, and shelved books and other materials using established library systems to maintain accurate and up-to-date records.
- Assisted patrons with research support, including guidance on sourcing academic materials, using catalogs, and accessing digital databases.
- Provided digital literacy training to students and library users, supporting effective use of online resources, e-books, and research tools.

- Managed circulation services, including issuing, renewing, and returning library materials, while maintaining accurate borrower records.
- Maintained accurate records of library usage, including tracking attendance, borrowing trends, and resource utilization for reporting purposes.
- Supported the acquisition and processing of new materials, including recording, labeling, and updating inventory systems.
- Promoted a reading and research culture by supporting academic activities, study sessions, and educational programmes.
- Maintained a clean, organized, and user-friendly library environment conducive to study and research.
- Collaborated with academic staff and students to support teaching, learning, and research needs.
- Ensured proper care and preservation of library materials, including basic repairs and adherence to archival standards.
- Performed administrative duties such as record keeping, filing, and responding to user inquiries professionally and efficiently.

CHINSAPO 1 EXTENSION PROGRAM

Feb 2021- Jul 2022

- Contributed to a community-based research programme, supporting data collection, community engagement, and documentation to inform programme design and evidence-based interventions.
- Engaged with traditional leaders, including chiefs, to facilitate dialogue and collaboration on addressing early pregnancies and early marriages within the community.
- Supported the development and implementation of community-led strategies aimed at reducing harmful cultural practices and promoting the rights and well-being of adolescents.
- Participated in advocacy and sensitization efforts to raise awareness on the social and health impacts of early marriage and teenage pregnancy.
- Strengthened community partnerships by fostering trust and collaboration between local leadership, community members, and programme stakeholders.

INTERNSHIP AT BWAILA PSYCHIATRIC UNIT

Aug 2022 - April 2023

- Provided basic psycho-social support and counselling to clients under supervision, promoting mental health awareness and emotional well-being.
- Assisted in conducting client assessments, intake processes, and maintaining accurate patient records in registers and reporting systems.

- Supported medication management processes, including ordering and collecting prescribed medications from the pharmacy and ensuring proper documentation.
- Participated in multidisciplinary team activities, collaborating with healthcare professionals to support holistic patient care.
- Maintained confidentiality and adhered to ethical standards in handling sensitive patient information.
- Assisted in organizing and facilitating mental health awareness activities within the clinical setting
- Facilitated community clinic outreach programmes, increasing access to basic health services and health education in under served areas.
- Delivered health education sessions on mental health, nutrition, and general well-being to community members.
- Identified and referred at-risk individuals to appropriate health and social services for further support.
- Engaged community members through sensitization campaigns to reduce stigma and promote health-seeking behavior.
- Collaborated with local health workers and community leaders to improve service delivery and outreach effectiveness.

VOLUNTEER - YOUTH COUNSELLING INITIATIVE

Feb 2025 - 2026

- Advocated for youth mental health awareness, improving access to psycho-social support services and community resources.
- Designed and facilitated youth-focused sensitization programmes on psychological well-being, life skills, and personal development.
- Supported programme implementation through coordination of activities, scheduling meetings, and engaging stakeholders.
- Conducted community surveys to assess youth needs and inform programme planning and delivery.
- Assisted in fundraising initiatives and contributed to basic budgeting and resource mobilization for programme activities.
- Promoted youth participation and engagement in mental health and personal development initiatives.

VOLUNTEER - MLERA FOUNDATION

Oct 2025 - 2026

- Provided capacity-building support for community-based projects, strengthening local skills and programme sustainability.
- Assisted in planning and implementing community outreach programmes focused on education, health, and economic empowerment.
- Participated in advocacy initiatives promoting girls' return to school after childbirth, supporting reintegration and reducing stigma.
- Facilitated basic business and livelihood training sessions to support economic empowerment among community members.
- Contributed to programme planning, budgeting, and coordination of project activities.
- Participated in Village Development Committee (VDC) meetings to support alignment of community interventions with local development priorities.
- Engaged community stakeholders to strengthen participation, ownership, and sustainability of programmes.
